Capgemini receives the 2020 Pega Partner Sales Excellence Award for EMEA

Paris, March 30, 2021 - **Capgemini** **today announced that it has been awarded the 2020 Pega Partner Sales Excellence Award for EMEA by** **Pegasystems Inc.** **Capgemini was presented with the award in recognition of its commitment and tremendous impact on driving sales within EMEA at the first-ever Pegasystems virtual Partner Sales Kickoff 2021**.

"Capgemini and Pega have been working together for over a decade to digitally transform organizations and deliver tangible data-driven results. This recognition affirms our continued ability to successfully co-sell industry leading joint offers and solutions that address the evolving business challenges of our clients," said Sreekumar Vadakkepat, Global Partner Executive, Global Strategic Initiatives and Partnerships at Capgemini.

Commenting on a successful collaboration with Capgemini and Pegasystems to deliver a large-scale case management implementation, Johan Gabrielsson, Head of the Department of Data Science and Digital Platforms, Arbetsförmedlingen (the Swedish Public Employment Services), said, *"We have a strong strategic partnership with Capgemini regarding the Case Management implementation on the Pega platform. Capgemini has provided us with highly skilled Pega resources, and we don't see anyone as strong on Pegasystems in the Swedish market. Capgemini and Pega worked closely to develop the platform together with us, which we believe is vital to our ongoing large-scale Pega implementation."*

"We are pleased to recognize Capgemini with the 2020 Pega Partner Sales Excellence Award for EMEA for their commitment to help us to unlock new value for customers across a wide range of industries within EMEA," said Carola Cazenave, VP, Global Partner Ecosystem at Pegasystems.

As a Pega Platinum tier partner, Capgemini delivers a growing range of Pega-focused services, including advisory, business-process design and optimization, governance, case management, customer engagement, marketing and sales automation.
